# Evolution 40 Snack Vending Machine

3.5" full color display allows you to display pricing information, as well as nutritional information such as calorie count and serving size in compliance with the FDA's Calorie Disclosure Rule. In addition, get exposure for your company by displaying your company's brand/logo on this vivid display.

## Standard Configuration

Re-configure trays to almost any package size in the field with no need for tools.

Optional Touch Screen Interface

10.1 inch full-color capacitive touch screen provides customers with a shopping cart purchase experience including product calorie information

iVend® Guaranteed Delivery System

Keeps customers satisfied and reduces service calls for misloaded product.

Credit/Debit & mobile reader options.
